HEWLETT-PACKARD LABORATORY EQUIPMENT

Resistance-Tuned Oscillators

MODEL		
200A	35-35,000 cps Cabinet mounting Output 1 watt into 500 ohms	\$ 95.00
200B	20-20,000 cps Cabinet mounting Output 1 watt into 500 ohms	95.00
200C	20-200,000 cps Cabinet mounting Output 10 volts into 1000 ohms	135.00
200D	7-70,000 cps Cabinet mounting Output 10 volts into 1000 ohms	150.00
202D	2-70,000 cps	250.00

Audio Signal Generators

205A	20-20,000 cps Output 5 watts Universal impedance output Complete with output meter and 110 db attenuator	325.00
205AG	20-20,000 cps Similar to 205A but with complete gain set	375.00

Harmonic Analyzers

300A	Harmonic Wave Analyzer—Frequency range 0-16kc Portable for audio frequency work	550.00
320A	Distortion Analyzer—Distortion Measurements at 400 cps and 5,000 cps	60.00
320B	Distortion Analyzer—Similar to 320A except six frequencies, 50, 100, 400, 1000, 5,000 and 7,500 cps	145.00
325B	Noise and Distortion Analyzer—Including Voltmeter and Filters for nine frequencies, 30, 50, 100, 400, 1000, 5000, 7500, 10,000 and 15,000 cps (Any two other frequencies from 20 cps to 10,000 cps can be supplied in place of stand- ard frequencies on either instrument at \$25.00 additional.)	350.00

Square Wave Generator

210	20-10,000 cps 100 volts peak to peak Output to 1000 ohms, balanced.	125.00
-----	--	--------

Vacuum Tube Voltmeter

400	0.03 volts to 300 volts full scale Frequency response 10 cps to 1 mc	175.00
-----	---	--------

Frequency Measuring Equipment

100A	Secondary Frequency Standard—100 kc, 10 kc, 1 kc, and 100 cps	350.00
100B	Secondary Frequency Standard—same as the Model 100A, except temperature control crystal Frequency Divider panels can be supplied for other frequencies from 10 cps to 1 megacycle. Prices on application.	425.00
500A	Direct Reading Electronic Frequency Meter—10 cps to 50 kc	200.00

Note: Above prices complete with tubes, f.o.b. Palo Alto.
Prices and data subject to change without notice.

All instruments except the 400 are available in relay rack mounting
at an additional charge of \$5.00.

Panels may be supplied with special finishes, prices on application
