Re: License to Copy and Distribute Manuals for Products Discontinued or No Longer Supported

Dear Glenn Robb:

In accordance with Agilent policy intended to benefit users of Agilent equipment and predecessor HP equipment, I am pleased to offer you a license to copy, sell, and publicly distribute manuals and datasheets for Agilent and HP test and measurement equipment that are discontinued or no longer supported by Agilent (hereafter called "obsolete manuals"). You may sell obsolete Agilent manuals without having to pay a royalty fee back to Agilent. By accepting this license, you agree to determine the obsolete status of manuals by searching the Agilent.com Internet website for the manual itself and for the related product. If neither the manual nor the product is locatable on the website, or if either is listed on the website as being discontinued or out of support, you may assume the manual qualifies as an obsolete manual. This permission includes the right to photocopy, scan or otherwise electronically copy these manuals, encode them onto various media such as CDs or DVDs, post a copy of them on a publicly accessible Internet website, and publicly distribute copies of them (via download or otherwise) whether for free or for a fee.

The original copyright notice is to be included on all of the resulting materials. We also ask that you include the following source acknowledgement on your web site and on all CDs, DVDs, and hard copies:

Reproduced with Permission, Courtesy of Agilent Technologies, Inc.

By reproducing these materials, you acknowledge that Agilent does not make any representations or warranties of any kind with respect to the materials and disclaims any responsibility for them as reproduced by you and may terminate this consent at any time, in its sole discretion.

Please acknowledge your receipt of this license and your acceptance of its terms, by signing a copy in the space provided and returning the signed copy to me at:

Agilent Technologies, Inc.  
5301 Stevens Creek Blvd. MS 54U GJ  
Santa Clara, CA 95051  
Attn: Libby Taylor (telnet 345-8733)

Thank you for your interest in Agilent Technologies and its products. Sincerely,

Libby Taylor, Information Distribution Services, Agilent Technologies, Inc.

I acknowledge receipt of this license and the acceptance of its terms.
